

Bonus home assignments!

Dear ICEF students :)

You have an opportunity to develop your programming skills and deeper understand optimization role in modern data analysis. And receive bonus points for home assignments too!

What should I do?

1. Continue doing mini-courses!

The last two courses are:

- [Supervized learning](#)
- [Unsupervized learning](#).

The deadline for both courses is April 14, 20:19.

2. If you have not registered yet...

Register at datacamp.com under any email. Just fill in your true first and last name. Add your registration email in the list tiny.cc/kh6b2y.

3. That's all :) Have a nice day!!!
